U.S.A. vs. Keyyonn Robert Cornish Johnson

Docket No.: 3:14CR5-001

**Petition for Action on Conditions of Pretrial Release**

COMES NOW CHRISTINE A. BARTHOLOMAY, U. S. PROBATION OFFICER, presenting an official report upon the conduct of defendant Keyyonn Robert Cornish Johnson, who was placed under pretrial release supervision by the Honorable James E. Seibert, U. S. Magistrate Judge, sitting in the COURT at Martinsburg, West Virginia, on February 19, 2014, under the following conditions:

**Condition 7(m): The defendant shall not use or unlawfully possess a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a medical practitioner.**

Respectfully presenting petition for action of court for cause as follows:  
(If short insert here; if lengthy write on separate sheet and attach.)

<u>Violation Number</u>	<u>Nature of Non-Compliance</u>
-------------------------	---------------------------------

1	On March 31, 2014, following the defendant's change of plea hearing in Martinsburg, West Virginia, a random drug test was conducted. The defendant tested positive for marijuana, and he DENIED using that substance. The specimen was sent to Alere Toxicology Services, Inc., for testing and confirmation, and was returned as a positive specimen.
---	--

The defendant has been supervised by U. S. Pretrial Services Officer, Joe Cruse, District of Maryland (Baltimore office), since his release on bond. The undersigned notified USPO Cruse of this drug test. He advised that he would continue supervision despite the positive test, and noted that he had supplied a **negative sample on March 10, 2014**. He also supplied another sample for that office on April 7, 2014, which was negative for all substances.

A copy of the lab report is attached for the Court's review. The Court was not previously notified of this positive sample since it was being addressed by the District of Maryland, and a sample supplied eight days later was negative.

2 On May 12, 2014, the defendant reported to USPO Cruse's office in the District of Maryland for a routine office visit. He was drug tested during that meeting, and admitted to using an oxycodone pill from his girlfriend's prescription (left over from her giving birth). The specimen was observed to be positive for oxycodone.

According to the correspondence received from USPO Cruse, the defendant allegedly slipped and fell while at work the day before, hurt his lower back, and needed pain medicine. He allegedly then took "the only medication that was in the medicine cabinet." He signed a written admission form acknowledging the same, which is attached to this report.
